

Eglinton
VILLAGE

Host your own slab, slab, slab party.

Celebrate the start of your build by hosting a get-together on your new slab. Enjoy a slab of soft drink and a slab of sausages on the house.

WHO DO I INVITE?

The rest of your future street, the whole of your stage, or even the broader Eglinton community – it's up to you! You're also more than welcome to invite your friends and family to help you celebrate.

HOW DO I GET INVOLVED?

When you have an indication of when your slab is going down, get in contact with **Sophia** at **Creating Communities** on **(08) 9284 0910** or via email at **sophia@creatingcommunities.com.au**

This is primarily a resident-led initiative, but we're here to make it as easy as possible.

You'll have support from the Creating Communities team to send out invites and organise event logistics.

And of course Cedar Woods will pay for the slab of sausages and soft drinks!
